

University of Central Lancashire (UCLAN)

Community Engagement News / Newsletter

The newsletter is part of the community engagement project and will give the community groups involved with the project and other interested parties an opportunity to share their experiences and successes.

The newsletter will also contain relevant information provided by the Centre for Ethnicity and Health. If you have anything that you would like to see featured in future issues or have a comment or suggestion to make on the newsletter please contact:

Janet Faqiri
Communications Coordinator
Centre for Ethnicity & Health
