

## **Accessible Property Register**

The Accessible Property Register (APR) is a website for anyone looking for accessible or adapted property.

APR services:

- Find accessible and adapted property for sale and rent in all parts of the UK.
- Advertise accessible and adapted property for sale and rent.
- Upload property adverts to multiple mainstream websites (via APR partners, The Little House Company)
- View adverts for accessible and adapted property from all sources, this includes private residential and social housing.
- Use of a new online access calculator to complete a full access survey for any residential property.
- Find an APR Approved Partner estate agent.

Two of the three APR directors are wheelchair users and work within the social model of disability.

**All APR services (including property advertising) are free of charge to the public.**
