

Talkback

Talkback, a self-advocacy organisation based in Buckinghamshire, has produced a DVD to help people with a learning disability, to understand Direct Payments. The DVD is called 'It's Easy' and Adnan Haroon tells his story of how he sorted a Direct Payment and how his works.

'It's Easy' is currently available in two languages English and Urdu, it could be made available in other languages if required.

The DVD has been made to both inspire and help people with a learning disability and those who support them to understand how a Direct Payment works and how to receive support. It can be produced with local phone numbers on so that it can be a tool for both Direct Payment Support Services and Local Authorities who are promoting Direct Payments to service users and their carers.

'It's Easy' can be viewed on Talkback's website in English, (www.talkbackamersham.co.uk – click on 'ethnicity'). Please contact Simon Evans if you would like to know more or how to order copies.
